3. DISPENSATIONS:

No new applications.

4. DECLARATIONS OF INTEREST:

Cllr Tanner declared a pecuniary interest in Agenda Item 11 - planning application DC/17/0039/FUL.

5. ADJOURNMENT:

512217 The Chairman proposed an adjournment for the following items which was approved.

6.1 Police Matters:

It was noted that there was no new Police Report issued on the Police Website this month as two were issued last month.

Cllr Tanner reported that an informal meeting had taken place with Sgt Beresford to discuss policing matters in the town, and in particular parking issues which had been very productive. 13 parking tickets had been issued by PCSO Hassler in the past 2 weeks around the Market Hill area, and a letter sent to all the parents at Sir Robert Hitcham's Primary School reminding them of the regulations in New Road and the dangers of causing obstruction to footpaths, especially during the time when they are dropping off and picking up their children.

Cllr J Jones reported problems with parking at the junction of Station Road and Brook Lane, where cars were parked right up to the junction, causing problems with visibility.

Cllr Kitching noted that the meeting with Sgt Beresford had been really positive and the police had agreed to maximise visibility in the town now the police restructuring process had been completed.

6.2 Report by County Councillor:

A report was received from CCllr Burroughes which was circulated and a copy attached to the file copy of these minutes.

Cllr Burroughes reported that he had provided a written report to the Suffolk County Council Rights of Way Committee meeting at Endeavour House, supporting the proposed Traffic Regulation Orders. He noted that he was very surprised and disappointed that the Fore Street TRO was refused, as this was a major concern in Framlingham. He felt that action should continue to be taken to fight this matter.

CCllr Burroughes reported on the Stage 2 Consultation of Sizewell C. The County Council felt that all the analyses had not been done, particularly regarding Yoxford and that the report was flawed. EDF Energy was told that "much more meat on the bone" would be needed for Stage 3.

He wished the Town Council all the best for the Neighbourhood Plan Referendum on 9th February.

Cllr J Jones advised that he and the Town Clerk had been present at the TRO Meeting and agreed that there was not a full understanding of the problems in Fore Street. The Town Council had fought the case, and did not agree with the outcome.

CCllr Burroughes had another meeting to attend so left the meeting at this stage.

6.3 Report by District Councillors:

DCllr Hudson reported on the Stage 2 Consultation of Sizewell C. A lot more information was needed regarding safety, roads, health and general well-being. The building of Sizewell C may well affect Framlingham as there would be a large movement of vehicles through this area. On the other hand, it was recognised that the industry was not producing enough electricity presently.

He reported that agreement had been made to merge Waveney District Council and Suffolk Coastal District Council, primarily to save money, and would now become the largest District Council in the country with an area from Felixstowe to Lowestoft.

6.4 Report from Framlingham Business Association rep:

Cllr Kitching reported that he and other Councillors, along with the Town Clerk, had attended the recent FBA meeting held at the end of January and would give a full report to the next PR&Markets Committee Meeting.

6.5 Report from Suffolk Association of Local Councils rep:

Cllr Garrett reported that there had been no meeting.

6.6 Report from Friends of Framlingham Library Group rep:

Cllr Bennell reported there would be a Community Group Library Meeting on Monday 6th February from 9.30am – 1pm in Stowmarket. Lesley Clouting would be going and could offer a lift to anyone else who wished to attend.

The Citizens Advice Bureau was now holding their Friday morning advice sessions in the Library, which was working very well.

A Friends' fund-raising Soup & Pud Lunch would be held during Fairtrade Fortnight in March.

6.7 Report from Greener Fram/Community Garden rep:

Cllr Bennell reported that the next Swap & Mend would be on Saturday 11th February at the Unitarian Meeting House.

6.8 Public Comment:

- One member of the public was pleased that the Town Council had produced an explanation leaflet relating to the Neighbourhood Plan Referendum which had been delivered to all households in the town, and felt that this was very useful.
- One person commented on the Green Shed planning application DC/16/5386/FUL in Fore Street and felt that 8 houses plus an office was overdevelopment of the site.
- One member of the public raised concerns regarding the state of the roads in Framlingham, especially for cyclists. Particularly bad areas were the junction of Mount Pleasant and College Road, and the roundabout in Well Close Square and felt that Suffolk County Council Highways Department needed to address these issues.

Cllr Tanner advised that the Town Council had set up a Pavements and Cycle-Paths Working Group to address issues. The Town Clerk also advised of the on line reporting tool to report highway matters/damage directly to the SCC Highways Department.

712217 The Chairman proposed to reconvene the meeting, which was approved.

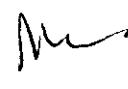

8. CORRESPONDENCE:

There were no items to be considered at this meeting.

9. NEIGHBOURHOOD PLAN UPDATE:

Cllr J Jones reported that polling cards for the Referendum on 9th February had been posted to all addresses in the Neighbourhood Plan area by the Electoral Services Team at Suffolk Coastal District Council. Residents' response to the polling cards/referendum had been mixed with some residents confused as to what exactly they were voting for as the question being asked in the referendum was not shown on the polling card. The question had been publicised on the framlingham.com website and the SCDC website as well as in Framfare along with various posters etc around the town. However, some residents claimed not to have seen it, other residents had assumed that the Neighbourhood Plan had already been approved, and others didn't actually know what the Neighbourhood Plan was.

Therefore, approval was sought from the Electoral Services Team to publish a leaflet helping residents better understand what was required of them, and this had been distributed to every household this week prior to the Referendum.

Cllr Jones noted that it remained to be seen how successful the Town Council would be in getting the Neighbourhood Plan adopted and he awaited with interest the result. Cllr J Jones reminded everyone to vote.

10. TRAINING/CONFERENCES/EVENTS:

No business.

Committee Recommendations and Business:

11. PLANNING COMMITTEE:

Cllr Garrett attended the Suffolk Coastal District Council Planning Committee Meeting on behalf of the Town Council, today, 2nd February 2017, regarding planning application DC/16/4094/FUL Conrad House. Consideration was given, but despite the Town Council's objection, approval was given for this planning application to go ahead.

There were no other planning decisions to be noted.

The following planning applications were considered:

DC/16/5386/FUL 26 Fore Street -- Mr North – Demolition of existing buildings and replacement with eight new dwellings, a single B1(a) office, car parking and associated works
(Deadline for response 18th January – extension until 3rd February requested and agreed with SCDC)
112217 The Town Council **OBJECTED** to the application as the housing mix is not in accordance with the Framlingham Neighbourhood Plan Policy FRAM 3 therefore the proposal is not in accordance with specific Policy FRAM 23 and represents overdevelopment of the site - 8 units plus an office again contrary to FRAM 23. Also there are mature trees in close proximity of proposed housing along the south and west boundaries.

Cllr Tanner left the room as he had an interest in the next item.

DC/17/0039/TCA Renat Properties Ltd -- Garden in Castle Walk, Castle Street – Pear tree next to garage is damaging garage wall. Proposed to fell. No replacement as garden too small
(Deadline for response 31st January- extension and copy of Structural Survey requested) received with photos.

112217 The Town Council **SUPPORTED** the application.

Cllr Tanner returned to the meeting.

DC/17/0229/TCA Mr S Leeding – Framlingham Bowls Club, Castle Street – To fell Walnut tree to side of Bowling green. The tree had an advanced decay hollow in the main stem which extends over 50% width of trunk.
