

Framlingham Covid-19 Response Plan

WHAT IS A COCOON?

Our Covid-19 response plan divided Framlingham into 10 areas and each area is subdivided into mini areas also known as Cocoons. In each Cocoon we hope that neighbours will be able support each other through this crisis, and there are lots of examples of neighbours helping each other.

I AM A COCOON VOLUNTEER – WHAT HAPPENS NEXT?

You will be allocated an area of Framlingham based on your location.

Your area co-ordinator will email you with instructions and information, and any copies of leaflets that need distributing.
