Cllr Garrett proposed the minutes of the previous meeting held on Monday 17<sup>th</sup> November 2018 (circulated in draft form prior to the meeting) were approved as an accurate record, which was seconded by Cllr Collins and, with one abstention due to absence, all were in favour.

The Chairman signed the minutes.

**4. Public Comment:**

Cllr Garrett proposed to adjourn the meeting for public comment which was approved.

A resident of the Persimmon Homes development on Mount Pleasant voiced concerns about holding Persimmon to account. He hoped that this could be achieved before they left the site as he felt once they had finished, they would not be available to rectify the many faults. He gave an example of the widely varying fences that were used which he felt was particularly ugly. Cllr Garrett reaffirmed that the Town Council's position was the same. Another resident said that they felt the pedestrian safety was poor – particularly if they wished to cross Mount Pleasant.

Cllr Garrett then proposed to reconvene the meeting which was approved.

**7. SCDC Potential Referral of planning applications:**

DC/18/4073/FUL – 24 Well Close Square – demolition of shed construction of 2 storey office. Cllr Garrett proposed to discuss the matter with the Town Clerk and to establish what was the reason for the SCDC Case Officer to approve the application which was seconded by Cllr Eastwood with all in favour.

The copy of a letter sent to residents of the Persimmon Mount Pleasant development from SCDC was noted.

**8.1 Framlingham Community Baptist Church**

Two emails on behalf of the Trustees of the Framlingham Community Baptist Church sent to SCDC regarding the status of the Former Foresters Hall as an Asset of Community Value (ACV) were discussed. It was agreed that the Chairman should draft a letter to SCDC asking for clarity on the process of a building seeking protection through an ACV.

**9. Non-Compliance and other issues relating to the Persimmon developments:**

Cllr Garrett reiterated the Town Council's position on this development. He said that the Town Council remains opposed to the recent application to vary the approved planning permission by Persimmon, and wished to see Persimmon held to account for building a development far below the standard agreed. The rectification must be achieved at no cost or inconvenience to the residents who had already moved into the development.

Cllr Garrett said that SCDC had called a meeting for Wednesday 19<sup>th</sup> December where the Town Council and residents would be able to discuss proposals to rectify the problems with SCDC and representatives from Persimmon.
