

Transparency Code

The Local Government Transparency Code 2015 requires all Parish Councils which have a gross annual income or expenditure exceeding £200,000 to publish data. For more information on the Local Government Transparency Code:

<https://www.gov.uk/government/publications/local-government-transparency-code-2015>

The Code specifies how frequently data is to be published, be it quarterly, annually or once only, but in many cases encourages more frequent publication. Framlingham Town Council aims to publish information on a more frequent basis where it considers this would be beneficial
